Dramatic Changes

The school year 1989-90 was filled with changes. We saw numerous changes both internationally and right here at Methodist College. The international changes were astounding. For example, the Berlin Wall and its fall was an extraordinary occurance. Movement toward better societies seems assured for the near future. Gorbachev has attempted to lead the Soviets toward a better society and possibly a more democratic government. The international drug war raged on in South America and the United States invaded Panama in a successful effort to oust Noriega. These are some of the most "Dramatic Changes" the world has witnessed.

But Methodist College also experienced a great deal of change. Methodist has built a number of new additions on campus this year. The March F. Riddle Physical Activities Center is the most welcomed addition. Others are the new field house, the welcome center, and the new 3-hole golf course. "Dramatic Changes" also include the first Monarch football team, a co-ed dorm, repair to the bell tower chimes and the list goes on and on. These changes are evidence of the tremendous growth and prosperity taking place at Methodist College. Thanks to the faculty, staff, students, and local community members Methodist College will continue to grow and develop through hard work and "Dramatic Changes."

Kim Rueda

1989 Summer Graduation

Addressing summer graduates of Methodist College August 30, the Reverend Dr. Roger W. Ireson of Nashville, TN challenged them to "become servants of the mind and heart for a new generation."

Dr. Ireson is general secretary of the Board of Higher Education of the United Methodist Church, which supports 125 colleges, universities, and seminars in America.

"Church and society are seen as places best served by the mind and the heart," said Dr. Ireson. "We believe that religion opens the heart and mind of God. We believe an education that is complete also has a religious dynamic."

College President Elton Hendricks awarded 52 degrees to 51 students during the 16th summer commencement. Dr. Hendricks also presented a Methodist College Medallion to Dr. Ireson in recognition of his service to Christian higher education.

Ms. Denise A. Guidotti presented the flag of France, her native country, to the college, bringing to 20 the number of flags given by international students.

1989 Winter Commencement

Methodist College awarded 107 degrees to 104 persons at its 17th winter commencement Dec. 14.

Dr. Thomas S. Yow III, president of Martin Methodist College in Pulaski, TN, challenged members of the graduating class to maintain a lifelong commitment to "truth and virtue" — the motto of Methodist College.

A 1966 graduate of Methodist College, Dr. Yow expressed the hope that each graduate would maintain a willingness to grow, change, and adapt; a commitment to excellence; and a commitment to Christian values.

Dr. M. Elton Hendricks, president of Methodist College, awarded an honorary Doctor of Divinity degree to Dr. Yow for "24 years of exemplary service to the United Methodist Church, his alma mater, his family, and the cause of Christian higher education."

Dr. Hendricks presented an honorary Doctor of Humanities degree to Sanford businessman Charles Mercer Reeves. Mr. Reeves has served as a Methodist College trustee since 1979 and endowed the Reeves School of Business in 1986.

A successful banker, railroad executive, and real estate developer, Mr. Reeves has been a Lee County Commissioner and served on the N.C. Banking Commission, the N.C. Board of Higher Education, and the National Executive Committee of the Boy Scouts of America.

Karen Kay Nelson, an elementary education major from Fayetteville, graduated first in the winter class with a 3.96 average.

The following students presented flags of their native countries to the college: Romeo M. Gamazon Jr., The Philippines; Habib Algassim Jah, Sierra Leone; Cynthia Tinei Ruwende, Zimbabwe; Daniel Richard Short, Canada.

1990 Spring Commencement

Methodist College awarded 127 degrees to 124 persons at its 27th spring commencement Sunday, May 6.

Dr. Larry G. Rowedder, superintendent of the Cumberland County Schools, challenged members of the Class of 1990 to accept the responsibilities of a professional and to make the world a better place. He said the body of human knowledge is now doubling every one and half years, making it imperative that humans "learn to adapt" to rapid technological change.

Dr. Rowedder urged the degree candidates to accept the responsibilities of a professional: 1) to advance the body of knowledge in one's chosen field, 2) to maintain personal integrity and a code of ethics in dealing with others, 3) to serve one's community, and 4) to never stop learning.

The Reverend Dr. William K. Quick, pastor of Metropolitan United Methodist Church in Detroit, Michigan, delivered the baccalaureate sermon Sunday morning. He challenged members of the graduating class to spread their wings and soar like eagles — to seek a new discovery each day and to match their personal efforts to their abilities.

Methodist College President Elton Hendricks presented a Methodist College Medallion to Reverend Quick during the commencement ceremony, in recognition of his 37 years of distinguished service to the United Methodist Church, Methodist College, and society.

Rev. Quick is a former trustee of Methodist College. The Scotland County native served nine United Methodist churches in North Carolina before accepting the Detroit appointment in 1974. He attended Duke University Divinity School, Randolph-Macon College, and Pfeiffer College.

Connie Kibben, an English major from Pikeville, NC, received the Stacy Weaver Award, denoting her selection by the faculty as the outstanding senior of 1989-90.

Business administration major Bruce James Parkman and French major Jay Brian Fullerton tied for first place in the spring class with perfect 4.0 (straight A) averages. Thirty-four members of the Class of '90 graduated with honors.

Ten ROTC cadets took the Oath of Allegiance at the commencement and were commissioned second lieutenants in the U.S. Army. They are: Kyle Adrian, Jay Fullerton, Thomas Johnson, Brenda Lanaux, Stuart Longest, Jack Mellott, Susanne Meredith, Emily Sachariason, David Spero, and Diane Walker.

Clubs and Organizations

Student Education Association

The Student Education Association (SEA), an affiliate of the North Carolina Association of Educators, Inc., is an organization for prospective teachers. Members receive various publications which provide an inside look at the world of teaching. Another benefit is the opportunity to attend two leadership conferences in Raleigh. On campus, the SEA has many professional meetings and workshops. Members of the SEA have organized get-acquainted breakfasts and luncheons for students and their cooperating teachers. They have planned and constructed various bulletin boards throughout the campus and have had many fund raisers.

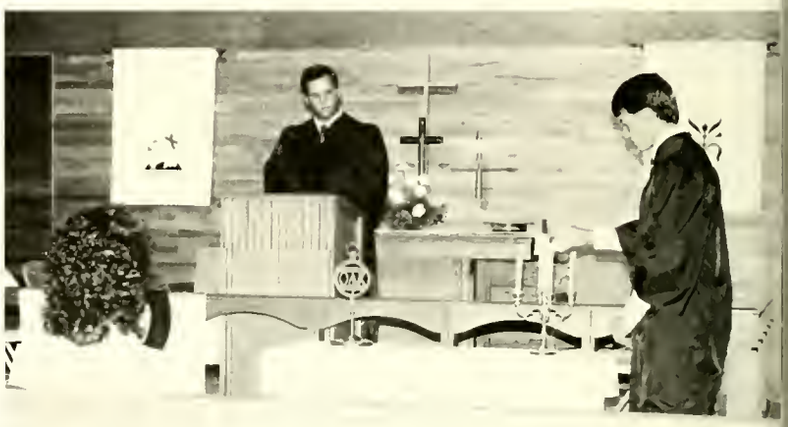
Jazz Dance Team

The Methodist College Jazz Dance Team is a new group that was started only this year. This year's team was composed of dancers that had taken or were in the process of taking the jazz dance class taught by Tricia Turner. It is not a requirement that a person take the jazz dance class to become a member but it is an enjoyable way to earn those P.E. credits! The only requirement is that the person have some dance experience and a great love for dance. The Jazz Dance Team performed the half time shows at basketball games and at the Miss Methodist Pageant this year.

Reserve Officer Training Corps

Omicron Delta Kappa

Omicron Delta Kappa is a national leadership society. To qualify for membership, juniors and seniors must demonstrate exemplary character, scholarship and intelligence, service and leadership in campus life, good citizenship within the community, and dedication to democratic deals. Membership is also based on a person's activities in five areas: scholarship, athletics, student government, fine arts, and religious life.



Phi Eta Sigma

Phi Eta Sigma is a freshman honor society established to promote a higher standard of learning and to encourage high scholastic achievement among freshmen.

History and Political Science Club

The History and Political Science Club tries to increase awareness of and interest in history and political science. This year they took field trips to historical sites and to the Dean Dome at UNC-Chapel Hill for the presidential candidates' debate. They also had special guest speakers and co-sponsored a legislative candidates forum in the spring.

Methodist College Chorus

The Methodist College Chorus is a select group of individuals chosen for their personality, moral character, and leadership qualities; as well as for their exceptional talent in music. The group is well known for its spirited rendition of many types of music. It is in constant demand across the state. The chorus makes frequent tours of the eastern seaboard and recently the chorus performed in the Bahamas.

Monarch Quartet and Rainbows End

Stage Band

Phi Sigma Iota

Phi Sigma Iota honors juniors and undergraduate students of foreign languages who have at least a "B" average in their college work and in all foreign language courses. They must also complete at least one course at the highest level and be in the top thirty-five percent of their class in general scholarship. The goal of this organization is to foster the learning of foreign languages as a means of achieving a better understanding among individuals and nations.

Student Activities Council

Student Activities Council is a branch of the Student Government Association (SGA) that deals with the programming of special events and activities on campus.

Monarch Playmakers and Alpha Psi Omega

The Monarch Playmakers is a organization that supports and promotes the theatre. Monarch Playmakers supports theatre on campus and in the community through charitable acts.

Alpha Psi Omega is a national honor society devoted to the advancement of educational theatre. Membership is limited to those individuals who have made outstanding contributions to college theatre, including both technical work and acting.

Psi Chi

Psi Chi is the national honor society in psychology. In order to be a member of Psi Chi, a student must be in the top third of their class and have a "B" average in their psychology course work. They must also have completed at least six semester hours of psychology classes and be enrolled in their third class before they will be considered for membership. Sigma Omega Chi is a similar organization for those interested in the field of sociology.

Sigma Omega Chi

Hall Council and Residence Hall Advisors

Each residence hall has a Hall Council. These councils provide various services, including programs that allow the residence hall advisors and the Hall Council to work together. The Hall Council also serves as the residents' voice with the Student Affairs office.

Lambda Chi Alpha

Pi Kappa Phi

Lambda Chi Alpha and Pi Kappa Phi are fraternities with the purpose and aim of promoting fellowship and mutual trust among its members, upholding the traditions and ideals of Methodist College, encouraging excellence in scholarship, and inculcating in its members the highest ideals of Christian manhood and good citizenship.

Koinonia

Koinonia is a service-oriented fellowship of christian students. It exists not only as an organization, but as a family, a sisterhood and brotherhood of which each member is an important part.

AMP ROCKFISH

Beta Beta Beta

Beta Beta Beta is an honorary and professional society for students of the biological sciences. The Methodist College chapter offers to its members activities and experiences that enrich and extend the primary requirements for the biology major.

Beta Beta Beta participated in "Show You Care Day," Homecoming, and Big Sweep '89. The main campus project this year was to start a recycling program on campus. This past year the Tau Zeta chapter joined the North Carolina Academy of Science Collegiate section.

Methodist College Chemical Society

Since its inception last year, the Methodist College Chemical Society has become one of the most active and visible clubs on campus, sponsoring professional and pre-professional speakers, performing "chemical magic" shows at Homecoming, and sponsoring King and Queen candidates. The society also participates in such activities as "Show You Care Day" and the campus blood drives. Field trips have been taken to a nuclear power plant, Cape Fear Valley medical Center's analytical lab, and to a meeting of the American Chemical Society in Research Triangle Park. The purpose of the Methodist College Chemical Society is to unite those seeking a major or minor in the field of chemistry, to discuss current events or areas of research that are important to the field of chemistry, and to provide information on employment opportunities.

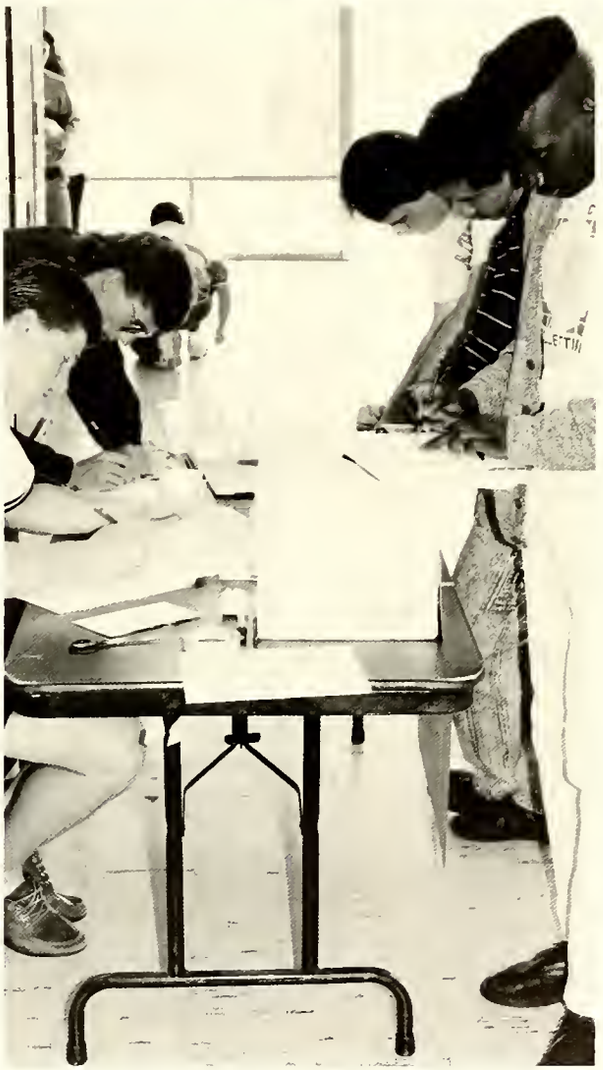
Computer Club

Student Government Association

The Student Government Association represents the students to the college administration and designs programs to meet the needs of the students. The Senate is a duly elected body designed to have an impact on student life at Methodist College. All groups of students are equally represented. The Senate meets bi-weekly to debate issues and deal with legislation designed to improve student life at the college.

Student Affairs Projects

Special projects initiated by the Student Affairs Office this year were: "Share the Warmth" wood-cutting project Dec. 2, a "Wellness/Humaness Fair" April 19, and a Job Fair/Career Day April 24.



CUMBERLAND CO. PERSON

Sports

Football

Methodist College began its first football campaign in the fall of 1989. The team entered the season with high hopes as well as realistic expectations. The season got off to an encouraging start with Methodist taking a 7-0 lead into the second half of their first game This was one of the bright spots in a season that was filled with disappointment. Early season injuries hurt the team and kept them off balance. The on field and off field efforts of this young team's players and coaches were not reflected in the won/lost column. The team showed great spirit and never let up. This year's on field offensive leaders were Keith Taparausky and Wayne Bragg who averaged 3.7 and 3.4 yards per carry respectively. On the defensive side, Russell Seaton (130 tackles) and Shea Chilton (78 tackles) led the way for the Monarchs. The future looks promising and football appears to be a proud addition to the Methodist College Athletic Program.

METHODIST

Men's Soccer

The men's soccer team began the '89 campaign with some questions. However, under the direction of Coach Dawson, the team pulled together and finished the season with a very strong showing. The team finished the regular season as DIAC champions with a 13-4 record, a number 13 national ranking, and a number 2 regional ranking. Methodist College hosted the first ever DIAC soccer tournament, with the winner of the tournament getting a bid to the south region tournament. The Monarchs missed advancing to the regional tournament with a hard fought, final round, loss to Greensboro College. The team ended the 1989 season with a 14-5 record. The number 2 south regional ranking, and the 14 victories represent new high marks for the men's soccer team. Due to their efforts, Gene Lindley, David Holmes, Lance Watkins, and Finbarr Clancy were named first team all conference, while Michael Manchester and James Maher earned second team honors. David Holmes also earned All American honors, another first in Methodist history. Coach Dawson, the leader of this year's team, was named the DIAC coach of the year for his efforts, and is looking forward to next year as he faces the toughest division three schedule in the nation, without losing any players to graduation.

Women's Soccer

The women's soccer team under the direction of coach Joe Pereira made their fourth consecutive NCAA Tournament appearance this past fall. The team's efforts became a success when they walked away winners of the regional tournament by defeating Scranton University and Mary Washington. The regional victory earned the team a trip to the NCAA's Final Four held in San Diego, California. Prior to their appearance in San Diego, the team had won eight consecutive games. Their progression beyond the semi-final round was halted by Ithica College, and the team finished the season 17-6. Ithica was the only division three team to beat the Monarchs all season. In addition to the team's excellent post season play, the Lady Monarchs also rewrote the record book by setting new marks for most assists (69), most goals (95), most shutouts (15), most points (259), most goals for an individual (27 by Anne Thorpe), and most shutouts for a goalkeeper (15 by Andrea Ellison). Adding to the records set above, Triscia Criswell, Anne Thorpe, and Catheryne Byrne each earned All American Honors with Criswell and Thorpe doubling up to bring home Academic All American honors as well. Next season looks promising with five seniors returning to lead the Monarchs in their 1990 campaign.

Men's Basketball

The 1989 season began with a mix of high hopes and disappointment. Coming off of last year's season the team was ready to roll with Clinton Montford returning to lead the way. However, a technicality forced Montford to the sidelines after midseason. Coach Dan Lawrence was able to lead his team back and finish the last half of the regular season with a 7-5 mark, leaving the team with a 10-14 overall record. The Monarchs entered the DIAC tournament on a 4-1 tear with hopes of continuing the streak. Things looked good after a first round win against Greensboro, but the team's season ended in the second round with a loss to Averett. Coach Lawrence had some big shoes to fill this season after several of last year's big guns graduated, but Jim O'Malley, Eric Hunt and James Wear stepped forward leading the team in rebounds, assists, and scoring, respectively. Next year looks bright for Coach Lawrence and his team. Most of this year's squad will be back next year, and with the addition of the new Physical Activities Center, Methodist College Basketball is on its way to becoming a division three power.

Women's Basketball

This year's women's basketball team had a mix of seasoned veterans and young upstarts. Filling leadership roles for Coach Wiggs this year will be seniors Linda Eberly and Bindy Lellock. With the help of several new freshmen and the experience of those returning, the 1989 season looked to be a good one. The lady Monarchs got off to a good start by winning their season opener. Throughout the season the team played consistently and lost some close games that could have gone either way. The lady Monarchs won the last game of the regular season and hoped to carry some momentum into the DIAC tournament, but in their first round game against Ferrum, they fell short of the mark. The women's team also benefitted from the opening of the new Physical Activities Center and they are looking forward to next year. With two outstanding scorers like Claudia Lucas and Daphne Akridge, combined with the rest of the young but talented squad next season will be an exciting one to watch.

VOLLEYBALL

The Methodist volleyball team completed a rather frustrating season on a more positive note as it won a first round DIAC Tournament game against Ferrum Nov. 3 (15-10, 15-8, 15-12) and this gave top seeded Greensboro a go for the trophy in the semifinal game before falling by 14-16, 14-15, 16-14, and 11-15. With wins against Lynchburg and Meredith earlier in the week, the Monarchs finished the season by winning three of their last four games.

Third year Coach Diane Scherzer was pleased with her team's tournament performance. As she put it, "We put ourselves in a position to win in the Greensboro game when we were up 14-10 in the first game. But trouble with serving and receiving cost us our lead and that game. The third game was also a pivotal one in which the lead changed hands several times before we finally lost it by two. All in all, we played well and aggressively in the tournament. Staci Sanders had an outstanding tournament. With such a young team, we look forward to the 1990 season."

Being selected to the second team All-Conference squad for Methodist were setter Anita Cechowski and Sanders. Sanders is a freshman. Methodist finishes the season with a 12-20 overall record.

Cross Country

The Cross Country team began the 1989 season with a coaching change. Taking over the coaching duties for Methodist was Craig Penny, a ten year veteran from Wooster College. Coach Penny brought with him a new positive attitude and a lot of enthusiasm. Led this year by seniors John Storms and Scott Vance, Methodist started the season strong with a victory at the Methodist College Relays. As the season wore on, Coach Penny shaped the young team, primarily composed of freshmen and sophomores, into a highly competitive group. The team ran strong throughout the year culminating in a fourth place regional performance, with Storms winning the region. John Storms and Scott Vance both earned All Region Honors. Storms' performance earned him a trip to the division three National Meet where he took fifth place, the highest finish over for a south region runner, and earned All American Honors.

Season Record

Outdoor Track

Four members of the Monarch track team competed in the NCAA Division III Outdoor Nationals May 22-26 at North Central College in Naperville, IL.

Senior sprinter/hurdler Danielle Baker finished third in the 100 m. hurdles, 10th in the 100 m. dash, and 12th in the 200 m. dash. John Storms finished 11th in the 1500 m. run and Rodney Rothoff finished 12th in the 3000 m. steeplechase.

Track Coach Craig Penney said he was pleased overall with the progress shown by this team members during a "roller coaster" season.

Men's Golf

Coach Steve Conley and the Methodist men's golf team achieved a goal that most coaches and players just dream about May 25. They won the NCAA Division III National Championship by 30 strokes!

The Monarchs became only the second team in 10 years to break 1,200 in this event, setting an NCAA team scoring record of 285 on the third day. Rob Pilewski became Methodist's second consecutive national champion, taking medalist honors with a 289 total and a one-stroke victory over Barry Pry of Ohio Wesleyan.

Methodist notched a four-day total of 1,172 strokes on the 6,596-yard, par-72 Indian Mound Golf Course at Jekyll Island, GA. Pilewski, John McCullough (294 — 6th place) and Hank Klein (294 — 6th place) were first team All-Americans. Jim Percherke's 300 (16th place) earned third team All-American honors. Randy Shaw rounded out the championship crew with a 311 for 52nd place.

"It was such a thrill," commented third-year Coach Conley on winning the championship. "When you're favored like we were, you know they are supposed to do it . . . that they're capable of doing it . . . you can't wait to get going . . . but then to just win it outright . . . there's no doubt who the best team is! We were never beaten on any day of the tournament. The guys really stayed focused. After each day, we considered that day history and felt we were starting each day even. We had to stay intense. Setting that NCAA record on such a tough course was great. Three of our golfers finished in the top six and Rob was the individual champ. What a great week for us!"

Women's Golf

The Methodist College Women's Golf Team completed its fifth season with a second place finish in the NCAA Division III Championship. Led by the consistent play of Captain Suzanne Hughes, the team completed a very successful season.

The Lady Monarchs carried the banner of Methodist College from Florida to Massachusetts and set team records for the lowest score for 18 holes of team competition (309), first hole-in-one, first individual win in major college tournament, and most hours riding in Methodist College vans. Coach Jerry Hogge is optimistic about the future. "With two juniors and seven sophomores returning in the fall of 1990, next year's team should be one of Methodist's all-time best," he said.

Women's Softball

Coach Diane Scherzer's softball team made amends for its third place regular season finish by capturing the DIAC Softball Tournament with a four-game sweep April 20-21. In route to the championship, Methodist defeated No. 2 seeded NC Wesleyan 4-2 and 4-0, then followed with 6-0, 2-1 victories over No. 1 seeded Christopher Newport.

Senior first baseman Linda Eberly led the Monarch hitters with a .400 tournament average and had ample help from Donna Sims (.308) and Anne Uleman (.385). Pitcher Michelle Karl and outfielder Lorie Sanuta joined these three on the All-Tournament team, and Monarch catcher Staci Sanders was chosen Most Valuable Player.

Methodist completed the season with a 23-11 overall record. Sims, a third baseman, was the leading batter (.396, 23 RBI's, five doubles, three triples, one homerun, 12 stolen bases) and was selected to the National Softball Coaches Association Central Region Second Team. Karl had a 20-9 overall record. Karl and Sanders were second team All-Conference selections.

Varsity Baseball

After struggling through one of its toughest schedules in years, the Methodist Baseball squad received its ninth consecutive NCAA bid and was seeded second in the regional tournament hosted by Trenton State in New Jersey.

The Monarchs won their first two games, defeating Trenton State 10-5 and N.C. Wesleyan 12-8 and were one game away from the College World Series. But Dixie conference nemesis and defending national champion Wesleyan bolted from the loser's bracket to hand Methodist a 5-4 loss and then a 9-7 setback in the seventh and deciding game.

Methodist ended its 11th season under Coach Tom Austin with a 27-17 record, a 2nd place conference finish, and a No. 17 national ranking. Joe Corretjer, Rodney Jones, Jay Kirkpatrick, and Trey Bostick were selected to the All-Tournament Team. Corretjer and Jones were DIAC All-Conference first team selections, while Kirkpatrick, and Trey Bostick were selected to the second team.

Kirkpatrick and Corretjer led the team with .389 batting averages. Senior Rodney Jones was 10-1 on the mound. Rod Jones and Joe Corretjer were picked as first team All South while Jay Kirkpatrick was 2nd team and Robbie Moreau was 3rd team All South. Rod and Joe were also chosen First Team All Americans.

Women's Tennis

Methodist's women's tennis team showed little mercy for its Dixie Conference opponents as it defended its DIAC Championship without losing a match.

Top-seeded Monarch Dorian Droege repeated as the No. 1 singles champ, as did Amanda Cook at the No. 5 spot. Other winning singles matches were Laurie Brucker, Lori Gustavson, Sandy Roozeboom, and Tracy Maness. In doubles, Droege and Brucker teamed for victory, as did Gustavson and Maness, Roozeboom and Cook. All six Monarch netters received All-Conference honors and Coach Pete Kendall was named the Conference Coach of the Year. The final Monarch score for the tournament was 54, with Christopher Newport garnering 22.

Droege became the first female tennis player in Methodist history to receive a bid to the NCAA Division III Tennis Tournament. Unfortunately, Droege drew the tournament's No. 1 seed in the first round and lost 6-1, 6-1. She finished the season with a 21-2 record and was ranked No. 18 nationally and No. 5 regionally when the regular season ended.

The team completed Kendall's second season with an 18-3 overall record and an undefeated conference record.

Men's Tennis

The Monarch tennis duo of Jonathan Terry and Tom Maze won the DIAC doubles championship in April. The two defeated a Christopher Newport twosome 1-6, 6-4, 6-4 in semifinal action and then defeated a pair from Averett 3-6, 6-4, and 6-3.

Terry and Bryan May made it to the finals in singles action, but did not claim a championship. Terry and Maze received All-Conference honors for, their doubles victory.

Methodist finished third as a team in the Dixie Conference. The Monarchs were 11-10 overall for the season and 2-2 in conference action.

ATHLETIC AWARDS

Methodist College held its annual awards presentation ceremony to honor its athletes on Wednesday April 25 in the school cafeteria. Earl Vaughan, OBSERVER-TIMES sportswriter, was the Master of Ceremonies for the event, with each sport's coach making the presentation for his/her team.

Several special awards were given. The Steve Little Cup, given annually in memory of Steve Little, a four-year letterman in soccer at Methodist College prior to his death in an automobile accident six months after his graduation, was presented to Michael Manchester. Honorary Monarch Awards were given to Methodist College Print Shop operators Hazel Gordon and Ronnie Richardson for their support and contribution to the college athletic teams; to the Methodist College Maintenance Staff; and to Mrs. Mary Young for her dedication and service to the Methodist College Cheerleaders.

All sports awards were presented except those for the baseball squad which were determined at the completion of the baseball season.

. . . Dramatic Changes . . .
. . . 1990 Carillon . . .

I would simply like to thank all the people that were involved in the production of the 1990 Carillon. My most sincere gratitude goes to my family and friends, who supported me strongly as the first freshman editor ever of the Carillon. It has been an honor for me to hold such a position. I certainly hope that this yearbook reflects the image of Methodist College in a positive way to each and all who see this book. It is also my hope that each and every person receiving this publication will gain a better insight into what Methodist College and higher education are all about.
